

Curriculum Vitae
JENNY MACFIE, Ph.D.

October, 2017

Personal

University Address: Psychology Department
301E Austin Peay Building
University of Tennessee
Knoxville, TN 37996-0900
Phone: 865-974-3367
Fax: 865-974-3330
macfie@utk.edu

Employment

2008-present Associate Professor
Psychology Department
University of Tennessee

2002-2008 Assistant Professor
Psychology Department
University of Tennessee

Education

1999-2002 NICHD Postdoctoral Research Fellow
Center for Developmental Science
University of North Carolina at Chapel Hill

1999 Ph.D. Clinical Psychology
University of Rochester, Rochester, NY

1990-1992 Psychology Courses
University of Colorado, Boulder, CO

Grants

2006-2009 National Institute for Mental Health (NIMH) 2006-9
1-R03MH077841-01 Risk and Psychopathology in
Children Aged 4-6 Whose Mothers Have Borderline
Personality Disorder Direct costs \$100,000
Role: Principal Investigator

Awards

2017 Faculty Research Support, University of Tennessee
\$3000

2017 The Graduate School at the University of Tennessee
Knoxville Student/Faculty Research Award.
How Can We Intervene with Pregnant Women who
Abuse Opioids to Improve their Health and Protect
their Babies? \$2,500

2013 Faculty Support Fund, University of Tennessee
2009-10, 2005-7 National Institute for Mental Health (NIMH)
Clinical Research Loan Repayment Award:
"Child Development in Offspring of Women with
Borderline Personality Disorder"

2004 Mental Health Development Fund, University of Tennessee
2004 Scholarly Activities Research Incentive Funding,
University of Tennessee

2004 Professional Development Award, University of Tennessee
1999 Lisa Flanagan Grossman Memorial Award

Presentations

- Macfie, J., Kurdziel, G., Mahan, R. M., & Kors, S. B. (2017, April). Young children of mothers with borderline personality disorder: Dissociation, neglect, separation/loss, and inconsistent parents. Paper presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.

- Zvara, B. J., Macfie, J., Mills-Koonce, W. R., & Cox, M. J. (2017, April). Father-child role confusion: Child problems with peers and prosocial behavior, especially for girls with a difficult temperament. Paper presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
- Kors, S. B., Kurdziel, G., Mahan, R. M., Simmons, M. (2017, April). Maternal borderline personality features and the high rate of intergenerational transmission of child maltreatment to adolescents. Poster presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
- Kurdziel, G., Macfie, J., Mahan, R. M., & Kors, S. B. (2017, April). Temporal relationship between borderline personality disorder features, distress tolerance, and mood on the PASAT. Poster presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
- Mahan, R. M., Kors, S. B., Kurdziel, G., Simmons, M., & Macfie, J. (2017, April). Maternal borderline personality disorder, maternal psychological control, and adolescent behavior problems and borderline features. Poster presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
- Miller, B., Kors, S., & Macfie, J. (2016, April). Applying the Quality-Effects Model of meta-analysis to measure outcomes of children of gay fathers. Poster presented at the Exhibition of Undergraduate Research and Creative Achievement, University of Knoxville, Knoxville, TN
- Kurdziel, G., Skadberg, R., Bierma, S., Macfie, J., & Moore, T. (2016, April). Temporal associations between anxiety, depression, and stress in college students with borderline personality features. Poster presented at the biennial meeting of the Society for Research on Adolescence, Baltimore, MD
- Macfie, J., Strimpfel, J. M., Kurdziel, G., Skadberg, R. M., & Mahan, R. M. (2015, March). Does child maltreatment mediate between maternal borderline features and young children's narrative representations? Paper presented at the biennial meeting of the Society for Research in Child Development, Philadelphia, PA.
- Strimpfel, J. M., Kurdziel, G., Skadberg, R. M., Mahan, R. M., Davis, K. N., Pollard, E. E., & Macfie, J. (2015, March). Early childhood representations of parent-child relationships, self, and self-regulation predict pre-adolescent borderline features. Poster presented at the biennial meeting of the Society for Research in Child Development, Philadelphia, PA.
- Kurdziel, G., Skadberg, R. M., Strimpfel, J. M., Hartgrove, M., McMahan, E., & Macfie, J. (2015, March). Effect of borderline personality disorder on

- adolescents' experience of maltreatment and adolescent borderline features. Poster presented at the biennial meeting of the Society for Research in Child Development, Philadelphia, PA.
- Macfie, J., Watkins, C. D., Strimpfel, J. M., Mena C. G., & Abbas, A. (2013, April). Mothers with borderline personality disorder and their young children: Caregiving, fearful/disoriented behavior and role reversal. Poster presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.
- Abbas, A., Watkins, C. D., Strimpfel, J. M., Mena, C. G., & Macfie, J. (2013, April). Teacher-reported dissociation in young children whose mothers have borderline personality disorder: A problem with self development. Poster presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.
- Mena, C. G., Watkins, C. D., Strimpfel, J. M., Abbas, A., & Macfie, J. (2013, April). Temperament in mothers with borderline personality disorder and in their young children aged 4-7. Poster presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.
- Strimpfel, J. M., Watkins, C. D., Mena, C. G., Abbas, A., & Macfie, J. (2013, April). Rejection sensitivity and negative relationships in adolescent offspring of mothers with borderline personality disorder. Poster presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.
- Macfie, J. (2012, October). Mothers with borderline personality disorder: What do we know? Paper presented to the National Education Alliance for Borderline Personality Disorder, Call-In Series.
- Frankel, M. R., Trupe, R. D., Watkins, C. D., & Macfie J. (2012, March). Effect of maternal borderline features on relatedness and adolescent externalizing psychopathology. Poster presented at the annual Harvard Medical School Department of Psychiatry Mysell Lecture and Research Day, Cambridge, MA
- Ennis, C. R., Buehler, C. R., Loveday, R. R., Strimpfel, J. M., & Macfie, J. (2012, March). Reported experience of maltreatment by adolescents whose mothers have borderline personality disorder. Poster presented at the Exhibition of Undergraduate Research and Creative Achievement at the University of Tennessee
- Campion, S. P., Watkins, C. D., Grassetti, S. N., Trupe, R. D. & Macfie, J. (2011, April). Teacher-reported behavior and DSM-oriented symptoms in young children whose mothers have borderline personality disorder. Poster presented at the

- biennial meeting of the Society for Research in Child Development, Montreal, Canada.
- Macfie, J., Swan, S., Grasseti, S. N., Watkins, C. D., & Campion, S.P. (2011, April). Adult Attachment Interviews in mothers with borderline personality disorder and their young children's narrative representations. Poster presented at the biennial meeting of the Society for Research in Child Development, Montreal, Canada.
- Watkins, C. D., Campion, S. P., Grasseti, S. N., Trupe, R. D., & Macfie, J. (2011, April). The relationship between stress and borderline features in adolescent offspring of mothers with borderline personality disorder. Poster presented at the biennial meeting of the Society for Research in Child Development, Montreal, Canada.
- Macfie, J. (2010, September). A challenge for offspring of mothers who have borderline personality disorder: The development of emotion regulation. Paper to be presented to The Carolina Consortium on Human Development, University of North Carolina at Chapel Hill, NC
- Frankel M.R., McCollum, K., Trupe R.D., Jones R.L., and Macfie, J. (2009, April). Effect of maternal borderline personality disorder on autonomy and relatedness in the mother-adolescent relationship. Poster presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
- Swan, S.A., Campion, S.P., Watkins, C.D., Price, L.P. & Macfie, J. (2009, April). The effect of maternal borderline personality on general and relational aggression in adolescents. Poster presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
- Watkins, C.D., Swan, S.A., Campion, S.P., Eaker, J.A., McLeod, A.A., Scott, D.N., & Macfie, J. (2009, April). Effect of maternal borderline personality disorder on romantic attachment in adolescents. Poster presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
- Reid, E., M., Campion, S. Watkins, C. D., & Macfie, J. (2007, April). Risk of maltreatment in children age 4-6 whose mothers have borderline personality disorder. Poster presented at the biennial meeting of the Society for Research in Child Development, Boston, MA.
- Macfie, J., Coens, L., Fitzpatrick, K., Frankel, M., McCollum, K., Trupe, R., & Watkins, C. D. (2007, April). Effect of maternal borderline personality disorder on emotional availability in mother-child interactions. Poster presented at the biennial meeting of the Society for Research in Child Development, Boston, MA.

- Macfie, J. (2007, March). Identifying risk and psychopathology in children whose mothers have borderline personality disorder. Paper presented to the Borderline Personality Research Group, McLean Hospital, Harvard Medical School, Boston, MA.
- Macfie, J. & Rivas, E. Engle, J., Hamilton, S. & Rathjen, R. (2005, April). Effect of maternal borderline personality disorder on preschool-aged children's narrative representations. Poster presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA
- Macfie, J., Mann, C., Nolan, L., Watkins, C. & Weaver, J. (2005, April). Pathways to mother-toddler role reversal: Mother's unresolved trauma and disorganized attachment. Poster presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.
- Macfie, J., Houts, R. M., Engle, J. & Lorenz, L. (2003, April). Intergenerational transmission of a role reversal between parent and child. Poster presented at the biennial meeting of the Society for Research in Child Development, Tampa, FL
- Macfie, J., Luffman, K., & Hamilton, S. (2003, April). Validation of a CBCL measure of dissociation for use in longitudinal studies. Poster presented at the biennial meeting of the Society for Research in Child Development, Tampa, FL
- Macfie, J., & Cox, M. J. (2001, April). Role reversal by children and parents mediates between marital dysfunction and adverse child outcome: A longitudinal study. Poster presented at the biennial meeting of the Society for Research in Child Development, Minneapolis, MN.
- Macfie, J., & Toth, S. L. (1999, April). Dissociation in the narratives of preschoolers from maltreating families: a longitudinal perspective. Poster presented at the biennial meeting of the Society for Research in Child Development, Albuquerque, NM.
- Toth, S. L., & Macfie, J. (1995, March). Representational development in maltreated preschool children. Paper presented at the biennial meeting of the Society for Research in Child Development, Indianapolis, IN.
- Macfie J. (1994, December). Maltreated children's story-telling: A window on their representational models of self and other. Paper presented to the Division of Child and Adolescent Psychiatry Teaching Conference, Strong Memorial Hospital, Rochester, NY.

Bretherton, I., Winn, L., Page, T., Macfie, J., & Walsh, R. (1993, March).
Concordance of preschoolers' family stories with parental reports of
family climate, family stress, and child temperament. Poster presented at
the biennial meeting of the Society for Research in Child Development,
New Orleans, LA.

Robinson, J., Mantz-Simmons, L., & Macfie, J. (1992, September). The organizational
role of emotional availability in gender differences in children's narratives.
Poster presented at the World Congress for Infant Psychiatry and Allied
Disciplines Convention, Chicago, IL.

Clinical

October 2005—present

Clinical Psychologist
Cherokee Health Systems

2004

Licensed Clinical Psychologist
2495, Tennessee

1996 to 1998

APA Approved Internship
Counseling and Mental Health
Services, University of Rochester
